RE: Winslow Levee

Dear Congresswoman Kirkpatrick,

On behalf of Navajo County, the local sponsor of the Little Colorado River at the Winslow Flood Risk Management Feasibility Study, I thank you for ensuring that the President's request for our project was included within the FY'15 Omnibus Bill Congress passed last week. The \$651,000 appropriation will nearly pay for the feasibility study's completion, leaving a balance of only \$100,000 needed in FY'16 to get us to the Chief's Report. Your support on the Winslow Levee Project, from its outset, has been instrumental in getting us this far. Again, we thank you, and we wish you and your staff happy holidays.

Sincerely,

Jesse Thompson Chairman  
Navajo County Board of Supervisors
