

## NAVAJO COUNTY AGENDA ITEM REQUEST FORM

<b>Meeting Date:</b> 4/14/2015	<b>Time Needed:</b> CONSENT
<b>Requesting Department:</b> Public Works	<b>Presenter(s) Name:</b> CONSENT
<b>Motion before the Board:</b> Approve the installation of the STOP signs on Black Canyon Lane and Kimball Street at the intersections with Black Canyon Road in Heber.	
<b>Recommendation:</b> (who, what, where, when, how, etc.) Staff recommends the installations of the STOP signs on Black Canyon Lane and Kimball Street at the intersections with Black Canyon Road in Heber.	
<p><b>Background:</b> (why should it be done, what will happen if not approved, etc. include resolution)</p> <p>At the request of local residents, Navajo County Public Works Staff reviewed the existing road geometrics and signage at the intersection of Black Canyon Lane and Black Canyon Road. The Black Canyon Lane surface change from Gravel to Double Chip has increased traffic and is causing an unsafe uncontrolled intersection with Black Canyon Road. The introduction of a STOP sign will require vehicles to come to a full and complete stop prior to turning onto Black Canyon Road.</p> <p>While conducting a traffic analysis of the area, the uncontrolled intersection of Kimball Street and Black Canyon Road was also discovered to have a similar traffic control issue complicated by high ADT, minimal line of sight, and in a location frequently congested.</p>	
<p><b>Fiscal Impact:</b> (what will it cost, where funds will come from, is it budgeted, etc.)</p> <p>Approval will have no fiscal impact.  A total of \$240 for the installation of 2 signs and 2 temporary traffic control change warning signs will come from Public Works HURF funding.</p>
