

Election Night Reporting

Quick Start Guide

The Election Night Reporting (ENR) display provides extensive details on election results. Web visitors can view which candidates are leading for a contest as well as results by precinct and vote type (Polling Place, Early Ballots, Late Early, Provisional Ballots, and Conditional Provisional). There is a graphical display of the precincts that are currently reporting results and the candidate leading in each precinct. Reports can be downloaded in various formats and a custom filter allows for a refined search on results.

When and how often will the results be updated?

Once the precinct polling locations have closed, the results are reported to the county. The county uploads results, and then begins reporting results to the public via the ENR tool. Updates occur throughout the night until all precincts have reported.

Contest-Specific Results

For viewing contest-specific results by vote type, ENR has the functionality to view which candidate is receiving the most votes by vote type in a tabular display.

The screenshot shows the Navajo County Election Services interface. At the top, it displays 'Navajo County Election Services' and the county seal. Below this is a navigation bar with 'Summary', 'Precincts Reporting', and 'Reports' tabs. A blue header section contains election statistics: 'Primary Election', 'Registered Voters: 0', 'Ballots Cast: 0', 'Voter Turnout: 0.00%', 'Precincts Partially Reported: 9 of 70', 'Precincts Completely Reported: 57 of 70', and a language dropdown set to 'English'. Below the header is a 'UNOFFICIAL RESULTS' section with a search bar and pagination. The main content area shows the contest '(DEM) County Attorney (Vote for 1)' with a yellow box highlighting the 'VOTE TYPE SUMMARY' link. A table below shows the results for 'CARLYON, BRAD (DEM)' at 99.11% (6,134 votes) and 'Write-in (DEM)' at 0.89% (55 votes). A red arrow points from the 'VOTE TYPE SUMMARY' link to a text box on the right.

Click on the "Vote Type Summary" link next to a contest to see a list of votes, broken down in to vote types for that specific contest.

This screenshot shows the detailed 'Vote Type Summary' for the '(DEM) County Attorney (Vote for 1)' contest. The page title is 'Summary > Vote type summary'. A table breaks down the votes by choice and polling place. A red arrow points from the text box above to this detailed view.

For viewing contest-specific results by precinct, ENR has the functionality to view which candidate is receiving the most votes in a map view.
