

PIÑON UNIFIED SCHOOL DISTRICT #4

PO Box 839, Piñon Arizona 86510

October 10, 2000

Mr. Ivan Sidney
Community Services Administrator
P.O. Box 260
Polacca, Arizona 86042

Dear Mr. Sidney,

I recently learned of your efforts to pave N-65, the 14.5 miles of dirt road between Low Mountain and Polacca, Arizona. Piñon Unified School District No. 4 strongly supports your efforts in making this project happen as soon as possible.

Piñon Unified School District No. 4 has been using this dirt road for sometime to bus students on field trips and to compete in athletic games at bordertown schools. During the winter months our buses have to travel by way of Chinle on paved roads to get to Winslow, Holbrook, Flagstaff and even down to Phoenix, Arizona.

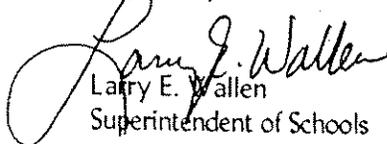

By paving N-65 between Low Mountain and Polacca we will be able to transport our students to nearby bordertown schools much faster and more safely.

Paving the dirt road will not only benefit our school, but also the surrounding communities of Low Mountain, Whippoorwill, Piñon, and Blue Gap. People from these communities use this road daily to travel to nearby towns to do shopping and also to transport their family members to the nearest hospitals.

Our Governing Board will have a supporting resolution approved at our next meeting. The District supports every effort you can take to build this road.

If I can be of further assistance, please contact me.

Respectfully,

Larry E. Wallen
Superintendent of Schools
