

## Community Informed Risk Assessment, use only for IPV

Tier 1: Ask on scene. Signal questions, best predictive power.

Question	Yes	No	Decline
1. Has the physical violence <b>increased in frequency or severity</b> over the past six months? a. Alternate wording: Is the pushing, grabbing, hitting, or other violence happening more often?			
2. Is he/she violently and constantly <b>jealous</b> of you?			
3. Do you believe he/she is <b>capable of killing</b> you?			
4. Have you ever been beaten by he/she while you were <b>pregnant?</b> (eg. Hit, kicked, shoved, pushed, thrown, or physically hurt with a weapon or object)			
5. Has he/she ever used a <b>weapon</b> or object to hurt or threaten you?			
6. Has he/she ever <b>tried to kill</b> you?			
7. Has he/she ever <b>choked/strangled/suffocated</b> you? <i>If this has happened more than once, check here:</i> <input type="checkbox"/>			
<b>TOTALS</b>			

Tier 2: Ask on scene or during follow up.

Question	Yes	No	Decline
8. Does he/she <b>control</b> most or all of your daily activities?			
9. Is he/she known to carry or possess a <b>gun</b> ?			
10. Has he/she ever <b>forced you to have sex</b> when you did not wish to do so?			
11. Does he/she use <b>illegal drugs or misuse prescription drugs?</b> (e.g. meth, cocaine, pain killers, etc.)			
12. Has he/she threatened to <b>harm people you care about?</b>			
13. Did you <b>end your relationship</b> with him/her within the past six months? Does he/she know or sense you are planning on ending your relationship with him/her?			
14. Has he/she experienced <b>significant financial loss</b> in the last six months?			
15. Is he/she <b>unemployed?</b>			
16. Has he/she ever threatened or tried to commit <b>suicide?</b>			
<b>TOTALS</b>			

We use these questions to assess "potential danger". These questions are optional and are discoverable. On the first 7 questions - Risky (2 or 3 yes) (6x more elevated risk or re-assault or near lethal violence); high risk (4+)(10.5X more elevated risk or re-assault or near lethal violence).

This assessment is based on Dr. Neil Websdale's Community Risk Assessment, Northern Arizona University Family Violence Institute
