Additional Information

Precinct Committeemen

Candidates wishing to run for the office of Precinct Committeemen for their Political party are only required to file a Nomination Petition and a Nomination Paper. These documents are found in the Precinct Committeemen section of the Candidate Packet.

If you miss the deadline for filing for the office of Precinct Committeemen, you may still run as a Write-In candidate and would only be required to file a Nomination Paper. Be aware that the filing deadline to run as a Write-In candidate is 76 days prior to the election date.

* It is the candidate's responsibility to make sure their forms are filled out correctly and completely. Double check each form to make sure that all the required information has been included on the form.

These forms require Adobe Acrobat Reader in order to view and print them correctly.

Instructions for filling out each form are included on the following pages of these instructions.

Step #1 - Nomination Petition

Open (left click) the document labeled “Partisan Nomination Petition”. In the Precinct Committeemen Forms Section. Follow the instructions provided to ensure that you are printing out the form correctly.

Refer to the Precinct Committeemen Signature Requirements document located in the Important Information Section  for the number of signatures required for each precinct.

* It is the candidate’s responsibility to make sure their forms are filled out correctly and completely. Double check each form to make sure that all the required information has been included on the form.

Step #3

Once you have collected enough signatures on a nomination petition(s), you may complete the rest of the necessary documents in order to file them with the Elections Office before the filing deadline for each election.

Along with your completed Nomination Petitions, you will have to provide a Nomination Paper.

Both of these documents must be filed together before the filing deadline. The Elections Office will not accept your forms unless you have both documents with you at the time of filing.

Candidates will be taken on a first-come, first-served basis. The Election office staff process all nominating papers presented before 5:00 p.m., the same day they are brought in. Please be prepared to wait into the evening, if necessary. Avoid the wait by filing early in the candidate filing period.

Nomination Paper

Open the Nomination Paper form by left clicking on the icon labeled “Partisan Nomination Paper” in the Precinct Committeemen Forms folder.

This form is setup so that many of the required fields are highlighted. You may click on each field and type in the appropriate information. It may be a good idea to print two (2) copies, one to file and one to keep for your own records.

- In the field which asks you which precinct you live in, type in the name of the Voting Precinct in which you live. This information is found on your Voter Registration Card or can be obtained by calling the Elections Office at (800) 668-3867.
- In the gray section of the form, fill in your name exactly how you want it to appear on the ballot. Refer to A.R.S. § 16-311 for guidelines on acceptable names, nicknames and abbreviations.
